Part of Tiger Trail will be under construction for the expansion of the Sumatran Tiger exhibit. The new exhibit will open in the Spring bringing new life to an older section of the Zoo. Tigers will be able to roam a hillside, drink from streams and pounce on rocks throughout the newly created tiger adventure.

The Kansas City Zoo is a non-smoking environment. Designated smoking areas are indicated on the map.

Due to weather, animal procedures or other conditions, some animals may be off exhibit. Please do not feed our animals as they are on special diets.

The Kansas City Zoo, a private, non-profit organization, is operated in agreement with the Kansas City, MO Board of Parks and Recreation Commissioners and is accredited by the Association of Zoos and Aquariums.
